Forward.....

There had never been a brighter day than that September 5th in 1957. Perhaps it just seemed so to us for this was a special day. We were beginning our senior year in the most beautiful new high school we had ever seen - - Romulus High.

As we went up the walk we had a feeling of something familiar, yet entirely different. Old friends and teachers greeted us, amid new surroundings. We all were proud and why shouldn't we be? It is a privilege to attend school although we may forget it at times. It is a privilege to have helpful instructors and a pleasant, efficient building to work in. We wish we could always have the stars in our eyes and the drums in our heart that we had in September of 1957.

Next September they will come again, and the next and next. The doors will always be open for students like myself. Will they have this same feeling? We earnestly pray and hope so, for no greater privilege is given us than to grow in knowledge, listen to and understand others and go prepared to meet our life's work.

Best of luck in the future

There are many of us at Romulus High School who remember Louise Draper and know that she drowned on May 15, 1957. Perhaps we all did not know her as well as we would have liked to. Yet God knew her, knew her by name, and stretching out His hand lifted her up. This is as it should be, the dedication of the graduating class of '58, Louise's class.

EXECUTIVE BOARD

This is the student government, a body of people dedicated to the duties to which they were assigned, making a better school for you, the students.

This select group represents every homeroom and every club recognized by the council.

As soon as we all return to classes in the fall the student council begins the grind of the years work ahead of them. The year 57-58, saw the council bring to light such activities as the Homecoming, Christmas Dance, gymnastics assembly, for the first time, a school carnival, made available to the students, jackets sporting an RHS emblem, and sponsored this year, also for the first time, a Faculty Day.

These will be the leaders of our community, state and National government of tomorrow.

Homecoming 1957

The second annual Homecoming of Romulus was held November 1, 1957. The evenings festivities began with a football game between Romulus and Willow Run. The Homecoming proved to be an added incentive spurring the Romulus eleven on to victory.

The Queen, Janet Bunnell, was crowned by last year's Queen, Dorothy Muck, during the half-time ceremonies. Queen Janet's escort was Terry Hoagland. The attendants were: Senior, Brenda Hill, escorted by Jerry Rusan; Junior, Sandy Jackson, escorted by Walter Goekel; Sophomore, Susan Dombek, escorted by Julius Szabo; and Freshman, Delores Huntley, escorted by Dennis Constantino.

The Principal, Mr. McAdam, presented the Queen with a bouquet of roses and Student Council President, Don Brooks, presented her with her robe. Attendants to the Queen received a bouquet of mums from their escorts.

Following the game, the Homecoming Dance was held in the Romulus High School Gym. The Queen and her court reigned over the dance.

SENIOR PLAY

The Defiance of David Charles

The Defiance of David Charles was presented by the Senior class on November 22 and 23. The play took place at Romulus Junior High School.

The story revolved around David (George Holly), a sullen and defiant high school boy. David's parents (Bill Lange and Judy Nicholas) wanted him to be an architect like his father, who was very outstanding in his work, but David was failing algebra. His parents kept reminding him how well his father did in school. Under this constant needling David began to feel that he hated his father. Angry and disappointed because his plans for new style locker were completely disregarded by his father, David quarreled with Faye, his girlfriend (Janet Bunnell) and got involved in a fight with one of his classmates.

The play was directed by Miss Greig with Carol Gaus assisting as student director.

The remainder of the cast was: Mr. Graining (Terry Hoagland), Miss Betts (Roberta Ryznar), Miss Teale (Dorothy Kankonen), Binge (Charlie Smith), Lottie (Donna Shain), Dewey (Ed Sell), Sherry (Sandy Smith), Sturkey (Don Kouba), Gladys (Stephanie Dombek), Nap (Jerry Papin), and Jonie (Mary Bratcher.)

BAND

The Romulus High School Band has performed at many different feats this year, such as the State Fair, Band Day at Ann Arbor, the Romulus Homecoming, Footballs Games, and many assemblies.

We have appreciated their fine playing at assemblies and their performances at football games.

We can be very proud of our Band because at the State Fair this year, they won another trophy to add to their big collection.

Thank you, Band.

Under the enthusiastic guidance of its sponsor Mr. Laughlin a Senior High Science Club was organized here at Romulus

Meetings are held each week at which the members perform demonstrations. The main objective of the club is for each student to prepare a project.

Field trips are being planned which include a trip to Lansing in May and also to the Science Fair at the Colosseum in Detroit.

PHOTOGRAPHY CLUB

The Romulus High School Photography Club was organized in March of 1953. Its objectives are: (1) Offer a hobby that is both educational and recreational; (2) Offer opportunities for recognition to non-athletically inclined students; (3) Offer a means of expressing athletic feelings in pictures; (4) Opportunities to learn how to take, develop, and print pictures.

DRAMA CLUB

DRAMA CLUB

The Drama Club is one newly formed this year under the advisership of Miss Greig. The purpose of the club is to promote interest in drama throughout the school and to give members practical experience in dramatics work.

The officers are President, Sandy Jackson; Vice President, Roberta Ryzner; Secretary, Juna Mooney; and Treasurer, Katherine Smarr.

One of the major events of the club this year was a field trip to Ann Arbor here they saw a University of Michigan Speech Department play, "Arsenic and Old Lace." After the play the group had an opportunity to watch a demonstration on costumes, acting, and applying make-up.

The Current Events Discussion Club was formed for the purpose of discussing current issues that affect our daily lives. Their big project this year was a trip to Hillsdale College for the Model United Nations Meeting on March 21. Romulus represented Malaya, the newest member of the United Nations.

To a real wonderful gal, who has a lot of good looks and a real swell personality, who by now should get the guy she's looking for and I hope you do. I'll always remember the fun we had in all our classes and out of our classes. I'm sorry I didn't act like other boys when I took you swimming last year, but I was on the bashful side that year. So, if you will please forgive me for my unghastly actions. Also I wish I knew what happened to our friendship for awhile this year. I hope it doesn't happen again. I know we could be real good friends & always if we wouldn't let little things get in our way. Hope to see you next year and hope we can graduate together. May God Bless you Always and Keep you as nice as you are Always Remember Frank "59"

During our school years much is done to educate us in the economic area. We learn the value of thrift, the habit of regular saving, and wise expenditure of family funds. We learn to budget income and expenses.

We are made aware of the vocational opportunities of our community, and many of us have jobs. We are informed through newspapers and other sources of the consumer goods available in our own and neighboring communities.

We appreciate the many kinds of support our township gives us, not only in the form of funds for buildings and equipment, but also in its pride of our accomplishments, advertising in our publications, and opportunities to practice citizenship.

Congratulations to the RHS Graduation Class
